

## CHINLE, AZ SPAY & NEUTER CLINIC - January 2021

Soul Dog Rescue, based out of Colorado, travelled to Chinle, AZ to conduct a sterilization clinic. Chinle is located in Apache County and is the 3<sup>rd</sup> largest community on the Navajo Nation. 128 animals were fixed and vaccinated during the clinic. Soul Dog set up shop in the Apache County Garage and the clinic was full. Appointments are made in advance for all surgeries. Hundreds of animals remain on a waitlist for future clinics. C.A.R.E. helped fund the purchase of surgical supplies and reimbursed for gas to bring back 89 dogs and 8 cats surrendered, trapped or picked up from the area for care and adoption. Professional photographer, Paige Eden, provided the following pictures.
